

Login:

1. Remove the referral input in the login it is not required there.
2. Just keep three buttons, login as student, mentor or Admin.

The image shows two screenshots of the UnivisionCounsel web application. The top screenshot is the registration form, and the bottom screenshot is the login form. Both forms have handwritten annotations in red ink.

Top Screenshot (Registration Form):

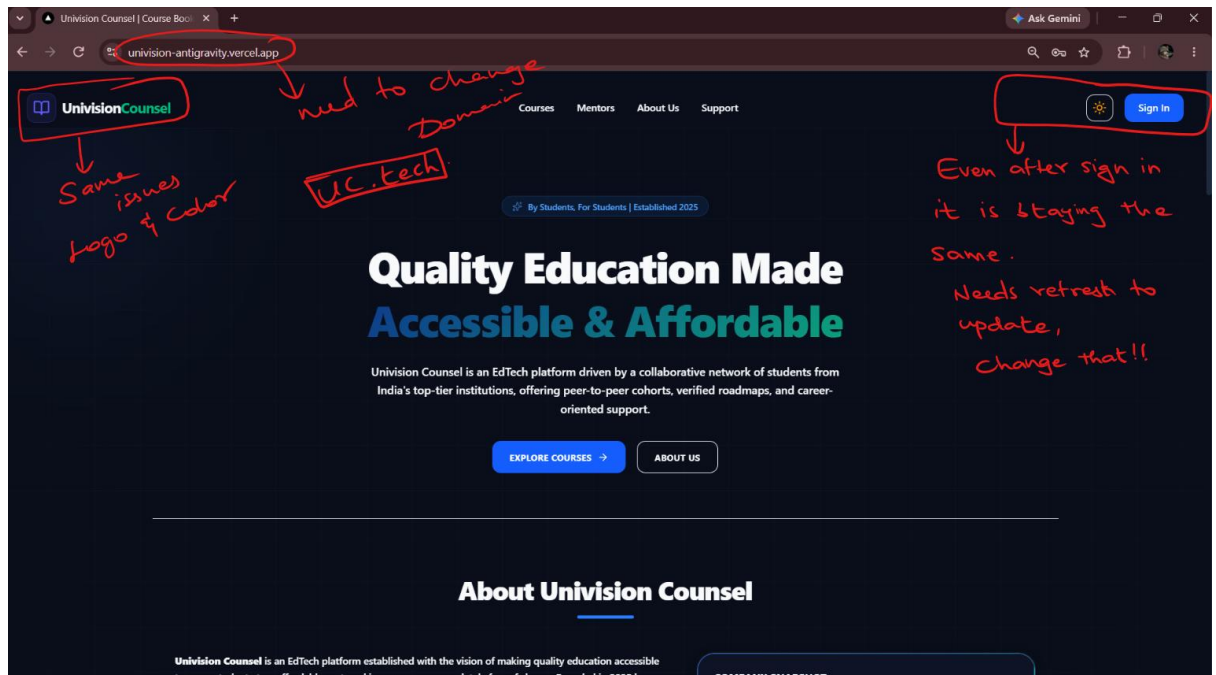

- Logo:** An arrow points to the UnivisionCounsel logo in the top left corner.
- blue color:** An arrow points to the blue text "UnivisionCounsel" in the top left corner.
- option to see the password:** An arrow points to the "Show/Hide" icon in the password field.
- Remove both the fields:** A bracket points to the "Referral ID (Optional)" and "Signing up as a Core Team Member?" fields.
- Create Account:** A blue button at the bottom of the form.

Bottom Screenshot (Login Form):

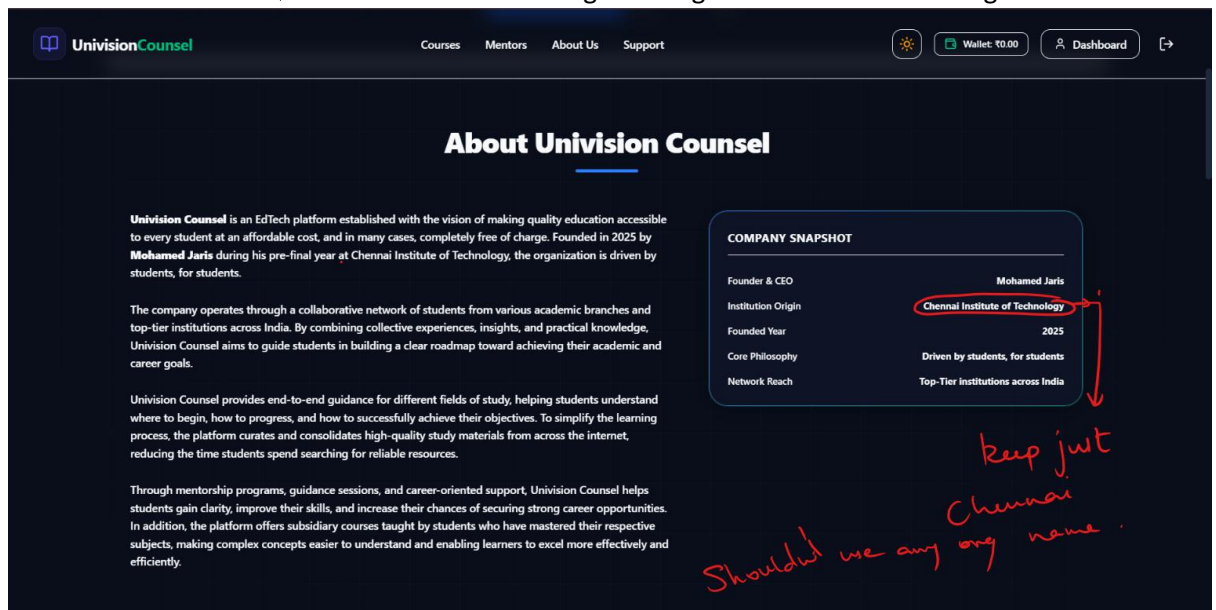

- At the moment with any id the admin portal is accessible. Block it!!!** A large handwritten note on the left side of the form.
- Not needed just 3 buttons enough** A handwritten note on the right side of the form.
- Admin Portal, Mentor Portal, Core Team Member, Student 1: Alice (Referrer), Student 2: Bob (Referred by Alice)** A list of buttons at the bottom of the form.
- stu, ment, Admin** A list of three buttons at the bottom right of the form.

HOME PAGE:

1. Even after signing in, the sign in button is not hidden, it requires a manual refresh to restore the dashboard button in the navbar.

2. Remove the institution name from the HOME Page for origin. Just Chennai is enough

- After clicking book course, In the date Box, the names are going out of the box, Either use 3 letter shortforms like Mon, Tue, Wed... or Make it stay inside the box.

HELP & SUPPORT
FAQs

CONTACT DETAILS
univisioncounsel@gmail.com

- In the payment page the QR is not being shown, Couldn't add a QR from ADMIN Portal too. Also remove the transaction_ID input field, it creates inconvenience to the user. All we need is to verify if they had paid or not, so once they have scanned and paid, keep a button as Next. When the button is clicked, in the admin portal for that respective course, the phone number should be visible with the user name, date and time of payment. I will manually verify the payment on that specific date and time for the user.

Also keep a input field here as enter referral ID, this is were the student must enter the referral id of the friend that has recommended the course to Him/Her.

ASSIGNED COHORT BATCH
UC SD1

TIMINGS
6:00 PM - 7:30 PM

DURATION
1 Month

Amount Due ₹5000.00

SCAN UPI QR TO PAY

Payment QR Code

Scan the code above with GPay, PhonePe, Paytm, or any BHIM UPI App.

Pay exactly ₹5000 INR

UPI Transaction ID / Ref No. *

Enter 12-digit transaction number

Please transfer the amount first, copy the UPI Ref/Transaction ID, and enter it above for verification.

SUBMIT TRANSACTION ID

For now let's keep phone number, Not trans-id / Take out the column itself.

- In the Publish New Course, Add Sunday too. In the side menu bar, what the referral doing is actually the 4th point that I have mentioned, It is showing the approval status for the transaction of the students, just add the date and time of the request and change the name

of the button as Payment verification or something, it is not referral.
